About Mr.Yagi

(https://colocal.jp/topics/food-japan/beerspot/20160801_76662.html)

He is from Shizuoka prefecture. He studied at arts college in France.

He specializes in modern arts. His main business is graphic designer.

He moved to Yamanashi about three years ago because he was asked his friend to help.

When he came Yamanashi the first time, he thought Fujiyoshida city is dirty.

But he impressed with Mt.Fuji from saw shopping arcade, so he decided to move to Yamanashi.

He wants to create the town for not only citizens but also him.

His challenge will continue.

Hostel Saruya

Mr,Yagi and his friends renovated old hair salon which was built 90 years ago.

It is located near Gekkoji station in Fujiyoshida city.

On the first floor, there are bathroom, rest room, living room and kitchen for all residents. On the second floor, there is a tatami room and futon in Japanese style.

The hostel doesn't serve meals at all. So, you should go to any restaurants around the hostel. You can get the original maps with information of restaurants from the hostel.
