Megumi Araya

She is 49 years old and comes from Chuo City in Yamanashi Prefecture. After graduating from Sundai Kohu High School, she graduated from Waseda University's literature department. She comes back to Yamanashi to live with her mother, then she found there are many Chinese. Then she thought I should do something what can I do. So, she decided to become a sightseeing guide. Her hobbies are mountain climbing, yoga, traveling and driving. Her active personality will relate with her future life.

-The experience of China-

She visited to Beijing in China to study abroad in 1995. And then, she spoke Chinese with various Chinese people. She also felt different value of Chinese there. Through of that experience, she was sure of her Chinese speaking capability because she could speak to Chinese. She visited to China again from 1999 to 2000 as student of Chinese.

a Message from Megumi

"Culture difference led to misunderstanding"

"I don't want people to be prejudiced against Chinese"

What we can in the future?

・Don't afraid Chinese people

・To talk with Chinese and understand their conditions

◎We are young, so don't regret in our lives and we should do everything what we want to do
